**The Clough Global Dividend and Income Fund**

The Fund is a closed-end fund searching globally for the most opportunistic investments in the capital markets, with an investment objective of providing a high level of total return. With Analysts in Boston and Hong Kong, the Clough Global Dividend and Income Fund seeks to pursue this objective by applying a fundamental research-driven investment process and will invest in equity and equity related securities, as well as fixed income securities, including both corporate and sovereign debt in both U.S. and non-U.S. markets. More information on the Clough Global Dividend and Income Fund, including the Fund's dividend reinvestment plan, can be found at [www.cloughglobal.com](http://www.cloughglobal.com) or call 877-256-8445.

**Clough Capital Partners L.P.**

Clough is a Boston-based investment advisory firm which manages approximately \$2.8 billion in assets: \$1.2 billion in hedge fund and institutional accounts, \$112 million in open-end funds and \$1.5 billion in three closed-end funds (as of November 30, 2016) – Clough Global Dividend and Income Fund (GLV), Clough Global Equity Fund (GLQ), and the Clough Global Opportunities Fund (GLO). The firm uses a global and theme-based approach and invests in securities on a global basis. Clough was founded in 2000 by Chuck Clough and partners James Canty and Eric Brock. These three are the portfolio managers for the Clough Global Dividend and Income Fund, as well as Robert Zdunczyk.

**An investor should consider investment objectives, risks, charges and expenses carefully before investing. To obtain a prospectus, annual report or semi-annual report which contains this and other information visit [www.cloughglobal.com](http://www.cloughglobal.com) or call 1-877-256-8445. Read them carefully before investing.**

*The Clough Global Dividend and Income Fund is a closed-end fund and closed-end funds do not continuously issue shares for sale as open end mutual funds do. Since the initial public offering, the Fund now trades in the secondary market. Investors wishing to buy or sell shares need to place orders through an intermediary or broker. The share price of a closed-end fund is based on the market's value.*
